

WESTERN AUTISTIC SCHOOL

Dear Parent/Guardian,

Western Autistic School is looking forward to another great year of teaching and learning and would like to advise you of Western Autistic School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. The school makes every effort to keep the cost of items purchased and activities at a minimum and sources these products from the most economical supplier possible.
